Meet the Presenter

Dr. Kirsten Hailstone

BSc BVMS Diplomate AVDC

Registered Veterinary Dental Specialist

AAERC

Dr Kirsten Hailstone is a Board Certified Veterinary Dentist who gained her diploma with The American Veterinary Dental College in 2022 under the mentorship of Dr David Clarke BVSc, DAVDC, FAVD, MANZCVS. She now heads the new oromaxillofacial centre at Adelaide Animal Emergency & Referral Centre where Surgery and Dentistry have joined to offer thoughtful solutions to complex problems involving companion animal oral and facial diseases and malocclusions. The department receives referrals patients for orthodontics, facial fractures, treatment or oral and maxillofacial neoplasia, endodontics, periodontics, restoratives and medical problems involving the head and oral cavity of companion animals. She has worked extensively in general practice as an employee for 10 years in Gawler and Chandlers Hill and then as an owner for 17 years in Mt Barker prior to specialising in dentistry.

She has sat on the Veterinary Surgeons Board of South Australia and the Australasian Veterinary Boards Council. She is. Keen softballer and gardener and has a host of cat, dog and horse children as well as two human children and a forgiving husband of 30 years.
